TT03 Series
Telescopic Height Adjustable
Steel TV Cart

Freely Tilting Mechanism
allows easy angle adjustment and
reduces glare from lights or windows
to obtain the optimal viewing comfort.

Portrait or Landscape Viewing
promotes a customized placement to
match different viewing needs anytime.

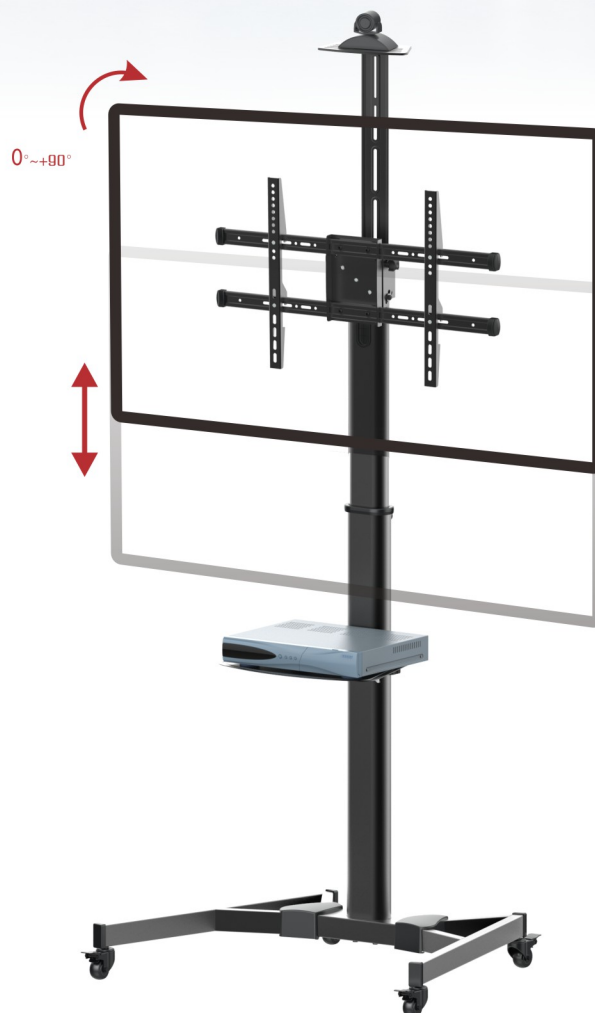

Quick-release Spring Lock
makes it easier and effortless to
adjust height to a desired position.

Quick Assembly Shelf
assures easy post-installation and
height adjustment.

Internal Cable Management
hides wires from view to keep a
clutter-free appearance.
