**Everyplace and Everyone is Different**  
Adjustable height adapts to the room and the viewers.

**A Place for Everything- and Everything in its Place.**  
Additional support shelf for equipment or materials.

**A Firmer Foundation**  
A larger, wider base means increased stability and safety-protecting your equipment and people from the possibility of tips or falls.

**It's NOT Going Anywhere- Unless You Want it to**  
Commercial-grade locking casters for stability and a firm lock for when you need to park it.
